

Better diabetes management with no-cost meters

Regular blood glucose testing is an essential part of successful diabetes management. The Diabetic Meter Program makes monitoring blood glucose levels easier by offering no-cost* meters to eligible plan members.

The Diabetic Meter Program

This value-added program is offered as part of your prescription benefit plan and provides eligible members with a blood glucose meter at no out-of-pocket cost.

Eligibility

To take advantage of this offer, members must:

- Be enrolled in the prescription benefit plan
- Have diabetes
- Have a valid prescription for blood glucose test strips. Members who don't already have a prescription can request one at [Caremark.com/managingdiabetes](https://www.caremark.com/managingdiabetes).

Additional requirements or limitations may apply. Meters will be shipped to members within 7 to 10 days of order.

Diabetic Meter Program

For more information about offering the Diabetic Meter Program to your members, visit [caremark.com/managingdiabetes](https://www.caremark.com/managingdiabetes) and choose “request a meter”.
