<b>Do I have to answer medical questions as part of purchasing insurance?</b>	If you decide to purchase more than the amount guaranteed by Guardian or enroll outside the annual open enrollment period, you must answer some medical questions to help us assess your insurability.
<b>Can I take the policy with me if I leave the company?</b>	You can port this coverage to a group conversion trust.

## Critical Illness and General Exclusions

The policy has exclusions and limitations that may impact the eligibility for or entitlement to benefits under each covered condition. There are limitations & special requirements for each condition. See the certificate of coverage or contact your sales representative for full details.

This policy will not pay for a diagnosis of a listed Critical Illness that is made before the covered person's Critical Illness effective date with Guardian.

Benefits for the second occurrence (recurrence) of that same illness will be available only if the illness occurs again after a period of at least 6 months in a row during which: 1) This coverage was in place without interruption; 2) No symptoms were exhibited; 3) No care or treatment was received for the illness. For the purposes of this limitation, care or treatment doesn't include preventive medications taken in the absence of disease. Care or treatment also doesn't include any routine, regularly scheduled follow-up visits with a physician.

First & second occurrence refers to the first & second time an insured experiences or is diagnosed with a covered Critical Illness while covered under Guardian Critical Illness insurance.

.

We do not pay for a third or later occurrence of a Critical Illness.

A pre-existing condition includes any condition for which an employee, in the specified period of time prior to coverage in this plan, consults with a physician, receives treatment, or takes prescribed drugs. In TX & VA no benefit will be paid until the earlier of a specified amount of treatment free time or after the insured is covered for a certain number of months. Please refer to the plan documents for specific time periods. State variations may apply.

If the plan is new (not transferred): During the exclusion period, this Critical Illness plan does not pay charges relating to a pre-existing condition. If this plan is transferred from another insurance carrier, the time an insured is covered under that plan will count toward satisfying Guardian's pre-existing condition limitation period. Please refer to the plan details for specific time periods. State variations may apply.

We do not pay benefits for charges relating to a covered person: taking part in any war or act of war (including service in the armed forces), committing a felony or taking part in any riot or other civil disorder or intentionally injuring themselves or attempting suicide while sane, or insane.

In order to be eligible for coverage: Employees must be legally working: (a) in the United States or (b) outside the United States, for a US based employer, in a country or region approved by Guardian. Subject to state specific variations.

Employees must be working full-time on the effective date of coverage; otherwise, coverage becomes effective after the completion of the specific waiting period.

Health questions are required on all late enrollees. Benefit increases may require underwriting.
